We hit Starbucks, roll down the top
It's the last time Carrie and I will drive to the beach
cuz we think it's time to grow up
Well I've never been good at that
I wanna live for today
I have such good intentions
And my dreams are no less than that
of yesterday
Does anyone really know...
Where we should go?
Meet me where we can dream...
Down by the river
Everybody's got a dream...
Down by the sea
Meet me where we can dream...
By the river
Who knows where it may lead?
Yeah...
The radio's blasting and we're singing
and I'm feeling unstoppable
When did I let life become so damn hard?
Well I'm heading to what dreams are made of
I won't turn my back to the stars
Of yesterday
Does anyone really know
Where we should go
Meet me where we can dream...
Down by the river
Everybody's got a dream...
Down by the sea
Meet me where we can dream...
By the river
Does anybody really know
where we should go?
Meet me where we can dream...
Down by the river
Everybody's got a dream...
Down by the sea
Meet me where we can dream...
By the river
Who knows where we may be?

Meet me where we can dream...
.. meet me
Meet me where we can dream...
.. down by the river
Meet me where we can dream...
..yeah
Meet me where we can dream...
Meet me where we can dream...
Meet me where we can dream...
Meet me where we can dream...
Meet me where we can dream...
