Faith can move mountains

Darling, you will see

I can move mountains

If you have faith in me

Faith can work magic

This I find with you

Yours is the magic

To make my wishes come true

So tell me again you love me

Kiss me and I'll be strong

What couldn't I do when I know that you

Are here to help me along?

Yes, faith can move mountains

Darling, you will see

I can move mountains

If you have faith in me

So tell me again you love me

Kiss me and I'll be strong

What couldn't I do when I know that you

Are here to help me along?

Yes, faith can move mountains

Darling, you will see

I can move mountains

If you have faith in me

Yes, I can move mountains

If you have faith in me
