Funny, how I've stopped loving you

I can pass you on the street and my heart don't skip a beat

Not much, so much my eyes wanna cry

Funny, how I've stopped loving you

I can listen to your name and it doesn't start a flame

Not much, so much my heart wants to die

Now that you're standing here, darling, I don't shed a tear

This is just the rain in my eyes

And if I have proved to you everything I say is true

Please help me believe my own lies

Funny, how I've stopped loving you

And it's funny I don't miss all the heaven in your kiss

Your touch, no I don't love you, not much

Funny, how I've stopped loving you

And it's funny I don't miss all the heaven in your kiss

Your touch, no I don't love you, not much

No I don't love you, not much
