Mona Lisa, Mona Lisa, men have named you

You're so like the lady with the mystic smile

Is it only 'cause you're lonely they have blamed you?

For that Mona Lisa strangeness in your smile?

Do you smile to tempt a lover, Mona Lisa?

Or is this your way to hide a broken heart?

Many dreams have been brought to your doorstep

They just lie there and they die there

Are you warm, are you real, Mona Lisa?

Or just a cold and lonely lovely work of art?

instrumental interlude

Do you smile to tempt a lover, Mona Lisa?

Or is this your way to hide a broken heart?

Many dreams have been brought to your doorstep

They just lie there and they die there

Are you warm, are you real, Mona Lisa?

Or just a cold and lonely lovely work of art?

Mona Lisa, Mona Lisa
