Hit me again  
Hurt me again  
It's alright (2x)

I'm used to  
This kind of thing  
It's alright (2x)

Sometimes I feel  
It's all I can do  
It's alright (2x)

Define comfort in your twisted way

Trying, failing, falling, crawling, dying  
Pull the strings and I am born again  
Sign my name, shade your hand  
So gladly so

When all is done  
Do it again  
It's alright (2x)

Stuck in a wheel  
I'm forced to spin  
It's alright (2x)

Sometimes I feel  
It's all I can do  
It's alright (2x)

I fall over and I let you win

Trying, failing, falling, crawling, dying  
Pull the strings and I am born again  
Sign my name, shade your hand  
So gladly so

Yes, I do get scared  
Sometimes I wish I could  
Run away, fade away, fade away

Please let me talk  
There is something I want to say  
Don't judge now  
I'm not ok  
All that I ask is  
One minute of your attention  
Hope you're alright  
I wish you well  
I hope you came here to stay  
I'm so glad you were here with us today
