All day EVERY day is more than I can stand  
dirty laundry grocery stores sitting and holding hands  
if your looking for loving that I understand,  
but I don't want to meet your folks or sit around making  
plans

can't you see? Can't you see I'm not your man  
can't you see? Can't you see I'm not your man

If you see me coming you better cross to the other side  
Cause I will make you love me take you for a ride  
Give me your car keys your credit cards and your purse  
I will turn your life upside down and leave you in the  
dirt

can't you see? Can't you see I'm not your man  
can't you see? Can't you see I'm not your man  
can't you see? Can't you see I'm not your man  
can't you see? Can't you see I'm not your man

Baby I could stay here but I gotta be on my way  
There ain't nothing you can do to make me want to stay  
I ain't the kind you marry that I guarantee  
I ain't no Prince Charming and I Ain't ever gonna be

can't you see? Can't you see I'm not your man  
can't you see? Can't you see I'm not your man  
can't you see? Can't you see I'm not your man  
can't you see? Can't you see I'm not your man
