CHORUS

If I said you had a beautiful body

Would you hold it against me

If I swore you were an angel,

Would you treat me like the devil tonight

If I were dying of thirst

Would your flowing love come quench me

If I said you had a beautiful body

Would you hold it against me

Now we can talk all night about the weather

Tell you 'bout my friends out on the coast

I could ask alot of crazy questions

Or I could ask what I really want to know

CHORUS

Now rain can fall so soft against the window

The sun can shine so bright up in the sky

But daddy always told me, "Don't make small talk"

He said, "Come on out and say what's on your mind"
