There's a reason for the sunshinin sky
and there's a reason why I'm feelin so high
must be season when that love light shines all around
us
so let that feelin grab you deep inside
and send you reelin where your love can't hide
and then go steelin through the moonlight nights with
your lover
Just let your love flow like a mountain stream
and let your love grow with the smallest of dreams
and let your love show and you'll know what I mean
its the season
let your love fly like a bird on wing
and let your love bind you to all livin things
and let your love shine and you'll know what I mean
thats the reason
Theres a reason for the warm sweet nights
and theres a reason for the candlelights
must be the season when those love right shine all
around us
so let that wonder take into space
and lay you under its loving embrace

just feel the thunder as it warms your face
you cant hold back
Just let your love flow like a mountain stream
and let your love grow with the smallest of dreams
and let your love show and you'll know what I mean
its the season
let your love fly like a bird on wing
and let your love bind you to all livin things
and let your love shine and you'll know what I mean
thats the reason
