C } HEY BARTENDER Blues Bros.

{ backups up octave }

I went balling the other night

I started drinking and got real tight

I blew each and all my friends

I felt so good I had to blow again

I said hey bartender

Hey man looka here

A draw one, draw two, draw three four glasses of beer

Well I saw a chick sitting on the end

I said baby can't we be friends

You're looking sweet as you can be

Well come on down and drink with me

I said hey bartender

Hey man looks here

A draw one, draw two, draw three four glasses of beer

Elwood!

{ solos over verse and chorus }

{ harmonica solo }

{ guitar solo }

{ groove }

Well we were having so much fun
I didn't know it was half past one
I turned around to have one more
I looked at the clock and it was half past four
Hey bartender
Hey man looka here
A draw one, draw two, draw three four glasses of beer
Well jukebox girlie is everything
All the cats are dancing
I heard somebody called and said
Last round for alcohol
I said hey bartender
Hey bartender
Hey bartender
Hey bartender
Draw one, two, three four glasses of beer
