She caught the Katy, and left me a mule to ride

She caught the Katy, and left me a mule to ride

My baby caught the Katy, left me a mule to ride

The train polled out, and I swung on behind

I'm crazy 'bout her, that hardheaded woman of mine

Man my baby's long, great god she's mighty she's tall

You know my baby's long, great god she's mighty my  
baby she's tall

Well my baby she's long, my baby she's tall

She sleeps with her head in the kitchen and her big feet  
out in the hall

And I'm still crazy 'bout her, that hardheaded woman  
of mine

Well I love my baby, she's so fine

I wish she'd come and see me some time

If you don't believe I love her, look what a hole I'm in

If you don't believe I'm sinking, look what a shape I'm in

She caught the Katy, and left me a mule to ride

She caught the Katy, and left me a mule to ride

Well my baby caught the Katy, left me a mule to ride

The train polled out, and I swung on behind

I'm crazy 'bout her, that hardheaded woman-

hardheaded woman of mine
