Fuck it, Friends or no friends I had enough bullshit
to last me clear to the ends"[4x]

[Eminem]

I shoulda been able to see that you were the one
behind this
but i was blind as fuck to think that you
were the kind that stuck some more in the spine this
It was another friendship broke in half
and watch you turn everything into a game and joke
and laugh
and both of us know we cant discuss the situation
Like adults each confrontation just results in
accusations and insults
so Im just let it go from that
we need to be I told you now, from that
what goes around comes back around
believe me, duck from that, come here you fuckin

[Chorus : Proof]

Come here you fuckin backstabber
why I oughta, be the bitch nigga from the hood, haha
come here you fuckin backstabber
why i oughta, be the nigga thats up to no good, haha

[sample]

"Fuck it, Friends or no friends I had enough bullshit
to last me clear to the ends"[2x]

[Eminem]

Take a second to stop and think about what you done
and you woulda thought that being a friend, Instead of
what you won
All because of what you run your mouth
you wanna prance around and gloat?
Lets see how well you dance around
when i got my hands around your throat
Cause Its a matter of time till I get my blows in and it
wont be long
You shouldnt go walkin around and stickin your nose
in where it dont belong

Cause everytime you talked when you was stretchin the truth

Theres gonna be one more flyin' knuckle you're gunna catch in the tooth

come here, come here you fuckin

[Chorus : Proof]

Come here you fuckin backstabber

why I oughta, be the bitch nigga from the hood, haha

come here you little backstabber

why i oughta, be the nigga thats up to no good, haha

[sample]

"Fuck it, Friends or no friends I had enough

bullshit to last me clear to the ends"[2x]

[Eminem]

Come here you lil double-crossing goin behind my back snitchin

good for nothin but trouble causin instigating fact switcher

you were the least that i suspected

Until the puzzle well into place with every peice that I selected

But Ill never let that crap happen again

You come backstabbin' again

catch it smack dab in the chin

thats for backstabbin a friend

cause every name in the book

wouldnt be enough

so i just figured Id say your name in the hook

check it out, come here you fuckin.

[Chorus : Proof]

Come here you fuckin backstabber

why I oughta, be the bitch nigga from the hood, haha

come here you little backstabber

why i oughta, be the nigga thats up to no good, haha

[sample]

"Fuck it, Friends or no friends I had enough

bullshit to last me clear to the ends"[4x]

[Outro :Proof]

Backstabbers dont live too long

Around my way friendships betrayed

In the hood you die for that!

For those that dont love this combat and verbally say this

This could relate to the death of a backstabber

Thats like the desire to make social

distant vibration combustion of the neck
The backstabber for the female, you sleezin ass bitch
nigga!
So remember, the backstabber always loses in the end
A friend is a friend to the end
F-R-I for Fri, E-N-D a friend for the end..yes
To eternity..the backstabber shall never flourish
Take em out.
