Wanna see, oh as far as the eye can see
Wanna see everything, see my little baby
Comin Down, over to me

I love the girl
I love, love, Luvla girl
I Luvla girl
I love, love, Luvla girl

Think ta me, oh my girl's the best on th'scene
She's the prettiest girl, whirliest girl
She's the best lookin' girl on the scene

I love the girl
I love, love, Luvla girl
I Luvla girl
I love, love, Luvla girl

Well everytime I see, see my little babe
I said babe, oh babe won't you come home
To me, well I said don't bring your mama
Now, don't bring your papa just bring you

I love the girl
I love, love, Luvla girl
I Luvla girl
I love, love, Luvla girl
