"Inside My Love"

Two people, just meeting, barely touching each other
Two spirits, greeting, tryna carry each further
You are one, and I am another

We should be, one inside each other

Chorus:

You can see inside me, will you come inside me

Do you wanna ride, inside my love

You can see inside me, will you come inside me

Do you wanna ride, inside my love

My love (6x)

Two strangers, not strangers

Only lacking the knowing

So willing, feeling

Infinite growing

While we're here, the whole world is turning

We should be, one, fulfilling the yearning

You can see inside me, will you come inside me

Do you wanna ride, inside my love

You can see inside me, will you come inside me

Do you wanna ride, inside my love

You can see inside me, will you come inside me

Do you wanna ride, inside my love

Say that you'll ride, inside this love with me

Come ride, inside this love with me

{Chorus} (repeat til end)
