I'm not the one you'll deceive /choose what I want to
perceive
You lack the will and control / your church is destined to
fall
Force those to bow and accept / imposing fear to
repent
Divide a nation of one / ignore the damage you've
done

Free minds destroyed, they kneel
Trapped in the lies, you sell

In the name of fascism, you steal
Seperating what is one, wont heal
In the name of your deceit, you sell
You condemn those who think free, to hell

Prey on the hearts of the week/give them something to
believe
Undo their liberal state/ revoke the right to debate
Your lies of deliverance/ scare tactics gain their
consent
Abortion of the free mind/ create the sheep get in line

Free minds destroyed, they kneel
Trapped in the lies, you sell

In the name of fascism, you steal
Seperating what is one, wont heal
In the name of your deceit, you sell
You condemn those who think free, to hell

Please believe within you, resist oppression
Lies and greed before you, passive aggression
Guilt, they'll feed, and scorn you, for liberation

In the name of fascism, you steal
Seperating what is one, wont heal
In the name of your deceit, you sell
You condemn those who think free, to hell
