

## Silent Circle "Dreams"

Dreams  
Made of memories  
Bridges  
Between you and me  
Faces  
From another world  
Faces  
Like a mascarade  
Dreams  
Made for you and me  
Bridges  
To my destiny  
Chorus:

Dreams (dream like a child)  
Mirror of memory (that's it)  
Dreams (dream over all)  
Get friends or enemies  
All my unspoken wishes  
Part of eternity  
Dreams  
Made for harmony  
Wishes  
From reality  
Morning  
Of my human life  
Union  
With my inner light  
Chorus

Dreams  
Made of love and tears  
Living  
Without warranties  
Chorus
