Brown Bobby
''Humpin' Around''

Ow everybody letÃ,'s go

When U trust someone and U know

YouÃ,'re on their back

You ainÃ,'t got no trusting about you

And you claim that you donÃ,'t care where IÃ,'m at

YouÃ,'ve given me reason to doubt you

Say U trust someone

Why ya calling all around

Think IÃ,'ve got somebÃ,'y on the side

Girl you donÃ,'t trust no on one

And youÃ,'re constantly in doubt

You lose the game if you play that way

Chorus:

Get up off my back get up

Save your heart attack yeah

(AinÃ,'t nobody humpinÃ,' around)

No matter what they say

No it ainÃ,'t that way

AinÃ,'t nobody humpinÃ,' around

Come on Ditch when you love someone

And you want to love Ã,'em right

You got to get more lovinÃ,' about Ã,'cha

When you know that youÃ,'re holding on too tight

Soon they will be leaving without you

Say that U love someone

Why you calling all my friends

ThinÃ,' IÃ,'ve got somethinÃ,' to hide

Girl you donÃ,'t love no one

You donÃ,'t know what loveÃ,'s about

You lose the game if you play that way

Chorus

Girl when U trust someone

You donÃ,'t call on everybody

AinÃ,'t nobody foolinÃ,' around

And the more I think about it

You lose all your clout

If you lose the game baby

If you play that way yeah

Rap:

My name is Brown thatÃ,'s what IÃ,'m called

So donÃ,'t try to step to be wrong

In your falsehood

Ã,'Cos I just wanna get something to you

Maybe take control of you just like

I told you I wanna roll on a tip

ThatÃ‚'s movin

Maybe take control of you just like

I told you I wanna roll on a tip

ThatÃ‚'s movin
