You want somethin' done?

You gotta do it yourself

OW!

Y'all think this is gonna be another one of those funky joints

Heart, soul, d-d-dance!

If I was you, and you were me, you oughta be winning

If you want something better, you gotta wanna keep your all

'Cause I believe, so much do we, they know we're not kidding

If you feel the same as me, girl, you gotta learn to take the fall

BRIDGE

Now I find out that nothing is given

Don't know where the cards may fall

All I know is that we gotta get it

We've gotta make it on our own

Well I guess we're gonna have to take control

(on our own)

If it's up to us, we've got to take it home

(on our own)

Can't you see that all we need to be a go-getter

Gotta make your own decisions, gotta go for what ya know

There comes a time in our lives, you wanna be bigger

Gotta keep, keep on pushing, you gotta learn to take control, yeah

BRIDGE

Well I guess we're gonna have to take control

(on our own)

If it's up to us, we've got to take it home

Gotta, gotta, take it home, gotta, gotta, gotta take it home (on our own)

OW!

Heart, soul, d-d-dance!

Too hot to handle, too cold to hold

They're called Ghostbusters and they're in control

Had 'em throwin' a party for a bunch of children

While all the while, Slimer's under the building

So they packed up the crew, got a grip came quick

Grabbed the coats, all the packs in the bag, and they split

To battle out Fegal (?), the master of evil

Try to battle my boys? That's not legal

(Oh-we-oh) They're in control

(Oh-we-oh) Y-Y-Ya know it

I said they're in control

(Oh-we-oh) Y-Y-Ya know it

(Oh-we-oh) Y-Y-Ya know it

Well I guess we're gonna have to take control

Gotta, gotta, gotta...gotta, gotta, gotta (on our own)

If it's up to us, we've got to take it home

Too hot to handle, too cold to hold, they're called
Ghostbusters and they're in control

(on our own)

Well I guess we're gonna have to take control

Gotta, gotta, take it home, gotta, gotta take it home (on
our own)

If it's up to us, we've got to take it home

Gotta, gotta, take it home, gotta, gotta, gotta take it
home (on our own)

(Oh-we-oh) OW!

(Oh-we-oh) Y-Y-Ya know it

(Oh-we-oh) Uh!

(Oh-we-oh) Y-Y-Ya know it

Well I guess we're gonna have to take control...
