Reset your brain

Reset Your brain
We're gonna go insane
Reset your brain

Come on
And look around
The world is bigger than flatscreen yeah
Come on listen
True love can be found
Shut your program down

Reset Your brain
We're gonna go insane
Reset your brain
Oh yeah go insane

Reset Your brain
We're gonna go insane
Reset your brain
It's gonna reset your brain

Shiver and to go insane
listen
Fresh energy
Set yourself free
Flatscreen to sunlight
True love can be found
Shut your program down

Reset Your brain
We're gonna go insane
Reset your brain
It's gonna reset your brain

True love can be found
Shut your program down

Fresh energy
You can be free

Reset Your brain
We're gonna go insane
Reset your brain
It's gonna reset your brain

True love can be found
Shut your program down
