Yo', you're tuned in to Koffee Brown

This time we takin' it to the clubs Uh-oh, that's right

First it was Naughty, then it was Next, now it's CB

What, uh, come on

It's Friday, weekday, leavin' work early

Hop in the whip with the flip, get my girl

It's hair shop, facial, nails filled, toes done

'Cause it's on at the club

It's Saturday, don't stop, just left the barber shop

Fresh fade, geared up, just got my car washed

Music up, windows down, rims on, bling-bling

It's a weekend thing

Workin' on stress {Stress}, hopped in the jeep (Yes)

Light up, take two to the chest

Tired of the wheels, tripped out bosses

Talkin' threats, but I could care less

I just wanna

Let my hair done

Puff-puff

I think I'm there now

It's Friday, weekday, leavin' work early

Hop in the whip with the flip, get my girl

It's hair shop, facial, nails filled, toes done

'Cause it's on at the club

It's Saturday, don't stop, just left the barber shop

Fresh fade, geared up, just got my car washed

Music up, windows down, rims on, bling-bling

It's a weekend thing

Cash with the whip (Whip), cash card for the chips

Lick o' the sip, roll up on the dips

What it is, what it is

A won't you come by the crib

'Cause I just wanna  
Have relations  
Head to toe, girl  
You're so-so amazing, you...

It's Friday, weekday, leavin' work early  
Hop in the whip with the flip, get my girl  
It's hair shop, facial, nails filled, toes done  
'Cause it's on at the club

It's Saturday, don't stop, just left the barber shop  
Fresh fade, geared up, just got my car washed  
Music up, windows down, rims on, bling-bling  
It's a weekend thing

It's party time  
Pull up the Hummer top  
Top down, feel the sunshine  
It's all right  
Cork poppin' time  
Go off into your ride  
'Cause it's on tonight  
It's weekend

My end of the week commences by rippin' out the 20  
inches  
SOS for the road, Gerbraud's creased to the floor  
No mo' sweets to flow on the sto' like a dro  
And I know you got them switches, give me mo' of  
them to go  
Seated in the barber shop, press playin' with it tapered  
in  
Paper thin mustache trimmed and my weekend begin  
Gimme plenty of Remy with a double shot of Henney  
No taste, look at my face, I'm feelin' as good as any  
It's the weekend

It's Friday, weekday, leavin' work early  
Hop in the whip with the flip, get my girl  
It's hair shop, facial, nails filled, toes done  
'Cause it's on at the club

It's Saturday, don't stop, just left the barber shop  
Fresh fade, geared up, just got my car washed  
Music up, windows down, rims on, bling-bling
