I've tried forever
To lead myself down
Life's road goin' nowhere
and You've made the invitation,
to follow after you
And only you

And so I've tried it on my own
for way to long
So Lord, My Lord
Lead me on
Lead me on this road I'm on
Lead me on yeah
Lead me on this road I'm on

Well I've found out quickly
That leading myself
Brings me to destruction
and you've made the invitation
just to follow after you
and only you, God

And so I've tried it on my own
for way to long
So Lord, My Lord
Lead me on
Yes, lead me on this road I'm on
Lead me on yeah
yes lead me on this road I'm on

This road I'm on yeah
Lead me on
Lead me on this road I'm on
Lead me on
Lead me on this road
This road I'm on
This road I'm on yeah yeah

Lead me on this road I'm on
Lead me on
Lead me on this road

This road I'm on
This road I'm on yeah
