Lord would you satisfy us  
With your unfailing love  
That we would shout with joy  
And be glad in all our days

Before the world was made  
and you shaped the mountains  
Before you hung the stars  
you were seated on your throne

You've always been our refuge  
there's peace in your glory  
You've always been our shelter  
and forever we will sing  
Everlasting, Everlasting  
You are God and you reign forever  
Everlasting, Everlasting  
You are God and you reign forever

Would you satisfy us  
With your unfailing love  
That we would shout with joy  
And be glad in all our days

Before the world was made  
and you shaped the mountains  
Before you hung the stars  
you were seated on your throne

You've always been our refuge  
there's peace in your glory  
You've always been our shelter  
and forever we will sing  
Everlasting, Everlasting  
You are God and you reign forever  
Everlasting, Everlasting  
You are God and you reign forever

Lord you reign forever  
Everlasting, Everlasting  
You are God and you reign forever

Everlasting, Everlasting  
You are God and you reign forever

Only you our God  
Only you, only you  
Our God
