IÃ,Â¹m lying here, oh so peaceful.....
..... In serene harmony
IÃ,Â¹m dreaming yet I feel awake
IÃ,Â¹m dreaming yet I am awake
Subjected to pain. Dark screams repent
And in a foreboding rage, a soul will die.....
..... a soul will die
My mind is burning, IÃ,Â¹m burning
I canÃ,Â¹t feel you anymore
Have I reached my point ?
Will I drown in delusion ?
The winds fell silent
And in my cerulean twilight
I left myself once again
..... itÃ,Â¹s overwhelming
Suffer yourself, and let me die here awhile
