Your dream world is a very scary place
Your dream world is a very scary place
Your dream world is a very scary place
To be trapped
Your dream world is a very scary place
Your dream world is a very scary place
Your dream world is a very scary place
To be trapped inside
Trapped inside
Trapped inside
All your life

Shine in time
Shine in time
Shine in time
Until you find

Your closer
Your closer
Your closer
To the truth

Within you
Within you
Within you
Is the truth

That your dream world is a very scary place
Your dream world is a very scary place
Your dream world is a very scary place
To be trapped
Your dream is such a lonely, lonely place
Your dream is such a lonely, lonely place
Your dream is such a lonely, lonely place
To be trapped inside
Trapped inside
Trapped inside
All your life

Shine in time
Shine in time
Shine in time

Until you find

Your closer
Your closer
Your closer
To the truth

Within you
Within you
Within you
Is the truth

I know, I know, I know your closer
I know, I know, I know your closer
I know, I know, I know your closer
I know, I know, I know your closer
I know, I know, I know your closer
I know, I know, I know your closer

Closer
Closer
Closer
To the truth

Within you
Within you
Within you
Is the truth
