(The Beatles Cover)

Aah, look at all the lonely people
Aah, look at all the lonely people

Eleanor Rigby
Picks up the rice in the church where a wedding has
been
Lives in a dream, waits at the window,
wearing the face that she keeps in a jar by the door
Who is it for?

All the lonely people
Where do they all come from ?
All the lonely people
Where do they all belong?

Father McKenzie
writing the words of a sermon that no one will hear
No one comes near.
Look at him working.
Darning his socks in the night when there's nobody
there
What does he care?

All the lonely people
Where do they all come from?
All the lonely people
Where do they all belong?

Aah, look at all the lonely people
Aah, look at all the lonely people

Eleanor Rigby
died in the church and was buried along with her name
Nobody came
Father McKenzie
wiping the dirt from his hands as he walks from the
grave
No one was saved

All the lonely people

Where do they all come from?
All the lonely people
Where do they all belong?
