"Tonight your soul sleeps,  
but one day you will feel real pain,  
maybe then you will see me as I am,  
A fragile wreck on a storm of emotion"

Countless times I trusted you,  
I let you back in,  
Knowing... Yearning... you know  
I should have run... but I stayed

Maybe I always knew,  
My fragile dreams would be broken for you.

Today I introduced myself,  
To my own feelings,  
In silent agony, after all these years,  
They spoke to me... after all these years

Maybe I always knew...
