"Lost Control"

Life has betrayed me
Once again
I accept some things
Will never change

I've let your tiny minds
Magnify my agony
It's left me with
A chemical dependency for sanity

Yes, I am falling
How much longer till I hit the ground?
I can't tell you why I'm breaking down
Do you wonder why I prefer to be alone?
Have I really lost control?

I'm coming to an end
I've realized what I could have been
I can't sleep so I take a breath
And hide behind my bravest mask
I admit I've lost control, lost control
