"Mine is Yours to Drown In"

Be smothered in life
Listen, listen, listen
The written word will devour you
And burn your mind
I'm burning your mind
I am entering your soul
My promise to love and caress you
Mirrors destiny and breathes the universe

Before tomb
(regression)

Taste me
Let the angels wings close
And shield you
I bleed for you

In the shadows and the recesses
You'll find dark
Yearn (me)
]from the dark all is revealed
Light sheds through
Bleed with me
We will share the light and dark
Together and more
