How I needed you
How I grieve now you're gone
In my dreams I see you
I awake so alone

I know you didn't want to leave
Your heart yearned to stay
But the strength I always loved in you
Finally gave way

Somehow I knew you would leave me this way
Somehow I knew you could never, never stay
And in the early morning light
After a silent peaceful night
You took my heart away
And I grieve

In my dreams I can see you
I can tell you how I feel
In my dreams I can hold you
And it feels so real

Oh, I still feel the pain (still feel the pain)
I still feel your love (still feel your love)
I still feel the pain (still feel the pain)
I still feel your love! ! !

And somehow I knew, you could never, never stay
And somehow I knew, you would leave me
And in the early morning light
After a peaceful night
You took my heart away
I wished, I wished you could have stayed
