C'mon  
My paralyzed hearts  
Is bleeding  
My love's torn apart  
Desire to be free

A bleak garden to cry  
When my inamorato died  
A bleak garden to cry  
When my inamorato died

A loveless so real  
Lifeline of mortality  
Condemned to misery  
Restless oblivion forever

A bleak garden to cry  
When my inamorato died  
A bleak garden to cry  
When my inamorato died

[Incomprehensible] betrayed by faith  
No peace, no cause for hope, all is calm  
Sweet warm sanctuary for me  
No peaceful tomb, no rest

My visionary dreams  
Are vanquished  
Aspirations fade away  
Reverence dies within

A bleak garden to cry  
When my inamorato died  
A bleak garden to cry  
When my inamorato died

A bleak garden to cry  
When my inamorato died  
A bleak garden to cry  
When my inamorato died
