Inside this cold heart is a dream
the slot in the box that I keep
buried a hundred miles deep
deep in my soul in a place
that's surrounded by aeons of silence

And somewhere inside is the key
to everything I want to feel (feel)
but the darks of the dawns of my memory
are lost in a place I can never be

Could someone please show me the way
could someone please tell me
cause I cannot see
and the silence is raging

silence is raging
silence is raging
(silence is raging)

silence
silence
fading to silence

silence
silence
fading to silence

memory
memory
silence's the key to a memory
memory

silence's the key to a memory
