Baby, let's go; let's get out of here.
Let's go somewhere nobody knows our names and just disappear.
It's a long way down but I'm ready to fall
Cause there's no one I can see myself with, girl, but you.

Cause I got so much love to give so, baby, give in to me.
Give me your heart, I'll make you see that

You're the one I want, you're all I ever needed.
You're the one I want, come on over here, baby.

Well it's scary I know, baby, just hold on.
Well it feels so right so girl I know that it can't be wrong.
Yeah, let's hit the road running and cover our tracks.
When the morning rolls around we'll be long gone, ain't ever looking back.

I've got so much love to give so, baby, give in to me.
Give me your heart I'll make you see that

You're the one I want, you're all I ever needed.
You're the one I want, come on over here, baby.
Let me take you by the hand, pull you closer to me,
Lay your head on my chest, feel my heart beat.
Cause you're the one I want, you're all I ever needed,
So come on over here, baby.

Cause no one will love you, no one will love you,
No one will love you like me, baby.

You're the one I want you're all I ever needed.
You're the one I want, come on over here, baby.
Let me take you by the hand, pull you closer to me,
Lay your head on my chest, feel my heart beat.
You're the one I want, you're all I ever needed.
You're all I ever needed, so come on over here, baby.
You're the only one, the only one I need.
