Way out here
working on the docks

everyone sees the long day through.
Well
what would I do without the nights and the phone
and the chance just to talk to you ?
What would I do now
just to talk to you
a thousand miles away-

What I wouldn't give for only one night

a little relief in sight

or someday when times weren't so tight.
when the day goes down on the water town

when the sun sinks low all around

that's when I know I
I need you now

yes
you're what I miss
every little kiss

every little one
every little one.

Everybody here's a number
not a name

but I guess that's all right with me.
As I sit alone after a long day in the absence of
company

oh
I let my mind wander
a thousand miles away-
what I wouldn't give for only one night

...

What I wouldn't give for only one night
