[CHORUS]

As you can see a tomorrow, and again, smiling
How do you say

Ji-geum I sun-gan bu-teon hon-ja geo-reo-ga-ya ha-ge
tj-yo
Geu-dae ba-rae-da ju-deon ji-beu-ro do-ra ga-neun gil
From the moment I'd walk alone
Did you walk your way back home
Seo-ro ma-ju ja-beun son i-je-neun sal-myeo-si noh-eu-

Do-ra seo-ya ha-neun-de waen-ji um-ji-gil su eom-ne-yo
Gently caress your face your hands together now set
free
Have to go back to why I can not move

Yo, haeng-bok hae-ya hae neon geu-rae-ya hae
Ban-deu-si jo-heun sa-ram man-na-ya hae
Yo, You have got to be happy so that
Necessarily have to meet a nice guy
Gak-keum su-re chwi-hal tae bi-ra-do o-neun na-re
Chue-og-i neol mos-sal-ge gul-ji an-ke
Day when the rain comes, sometimes drunk
He pushes you, not memories
Nae-ga yeo-pe eop-da-go ki-ni geo-reu-ji mal-go
Eon-je-na neo-dap-ge u-seum-yeo mal-hae
Do not spoil your next meal, I do not
Always smiling like yourself say
Geu sa-ram mwo-ha nya-go nu-gun-ga mu-reo bwa-do
Gi-eok so-ge jal it-da hae-jwo
What am I doing that someone who ask
Let it be remembered

CHORUS

Ye eh eh eh eh eh, eh eh eh (u-seum-yeo an-nyeong)

Do-ra seo-neun geu sun-gan beol-seo bu-teo nae son-

Ta-teut aet-deon geu-dae-ye on-gi-ga da-ra na-ne-yo
From that moment, I already turned in my hand
The warmth of gold after that you're away
Him-deul-ge ji-wo-ya hal he-eo-jin huui seul-peum deu-
ri
Ya-sok ha-ge-do neo-mu-na pal-li ga-seu-me cha-ne-yo
Hard to clear the tears after breakup
Hey, my heart belongs to a very fast ride

Oh, neo-ui jip a-peul geu-nyang ji-na-chil su is-seul-ka
Do-ra o-neun saeng-i-ri jeon-cheo-reom gip-peul-ka
Your house could just skip ahead
Happy birthday is coming back to how it was before
Neo a-nin geu nu-gun ga-wa bi-seut-an chue-og-eul
man-deun dae-do
Geut-tae man-keum seol-le il-ka
Rather than someone like you that if we create
memories
Is thrilled as when
Geu-rae-do na bark-ge u-seul-ge seul-peun eolgul
deul-ki-ji an-ke
I-jen ma-mi seu-yeo-do geu-geol-lo geu-man i-ra-go
na-reul chu-seur i-myeon-seo
Maybe I have to laugh that brightens a sad face, not
being seen
I have written in my mind as it would stop me for a
while

CHORUS

Sa-rang haet-da-neun (bye bye bye) seul-peun mal-bo-
da a-swi-um
Ga-deuk-han eot-teon mal-bo-da
Loved (bye bye bye) regret the sad words
Filled with some words
Haeng-bok ha-gi-reul (bye bye bye) seo-ro ba-ra-myeo
mi-so ma-neul jit-gi-ro hae
Aju (bye bye bye) meo-na-meon yet-nar i-ji-man

To be happy with each other, it hopes to build only a
smile
It (bye bye) but a distant past
Seo-ro-ga mo-reu-go sal-su is-seot-deon (bye bye bye)
Geu si-ga neu-ro do-ra ga-deu-si ije u-seum-yeo an-
nyeong
The idea was to live with each other (bye bye)
I smile as I go back in time
