[Yung simmie:]

Iâ€™m crazy man, I love money,
I chill with bad hoes and they say that they love me,
I really do the things Iâ€™m... and your presence,
See me got the simmy, but I got the mack 11
Sinnies after heaven, Iâ€™m tired of the games
Word been the lane, Iâ€™m just tryin to get the change,
Real eyes show, Iâ€™ve been blowing on...
Walk up this morning to a different hoe,
Smell a different smoke when the raders is at your
dope,
Coming for your through is murder that she... off the
top with that
Iâ€™m with your blunt with it, try me like a duck,
Then I barely you get drunk with it,
Pop pop with it.

[Dough dough:]

Whispering in your whole ear like Iâ€™m yin-yang
Still pick in your mama life offer range
Tell the p**sy up, got a big god blood stains
She ainâ€™t say stop the whole was love pain,
She wonâ€™t stop calling me, I feel like the same,
She must not know, Iâ€™ma pimp with no cane
And my game is to put her where it rain,
The mother niggas lames on that pop too flames,
Is free mad speakers all I do is game green
Plus my team got a way that the world never seen,
If I wasnâ€™t rapping my name would be missed the
clean,

[Ethelwulf:]

He told me pull it if a nigga ever get to prison

Niggas acting hard but Iâ€™m tryin to make it clearer,
You is not a g, f*ck nigga find the mirror
Do and show in my city, how I bitch you wonâ€™t
And if think you chaff and do, bitch you gonna get

Post em in slap, but a shit they be talking,
Niggas wanna play till itâ€™s time to point the object,
Just because I tweet donâ€™t mean I wontâ€™ lose it,
The two 75 be the reason I be moving, bitch.

[Chris travis:]

Now why for these niggas playing they know I donâ€™t

[Icee:]

Gettinâ€™ this money, f*cking this hoes,
Coming with the phone, coming with the phone,

F*ck you if you fake, pass that game,
G wether than a lane, I f*ck the p**sy great,
I make her late chain, bitch Iâ€™m from the state
Will dare make you late, thinking is the game,
Your mama better play, I got ice, boy top notch price,
Got a top notch bitch, who shoot donâ€™t fight,
She love my dick, is she s*ck dick nice,
She gotta pink for five, is she get right
My flow so tight, better ask her wife
How she play with it twice, to my voice last night

You hatin' on me, they'll be got a doubt tonight
I'ma trust no bitch 'cause I got one life,
