Was she all you need  
Was she all you eat  
Did you reptile smile  
When you ate her cunt  
Was she not afraid  
Was he not in hear  
Did you lure them in?  
Let the pain begin!

And now it's time to dance, come here darlings take  
my hand  
We'll take you for a sway We'll take you all the way

Did you trash him down  
Did you make her bleed  
Did she beg you near  
Or did she cry in gear  
Did he face the beasts  
Did she scream for joy  
Was she torn apart?  
Did you bring her heart to me

And now it's time to dance, come here darlings take  
my hand  
We'll take you for a sway We'll take you all the way

We'll make you twist and turn  
We'll make you bleed and burn  
Come darklins drown in me  
Come my love, drown in m  
We'll make you twist and turn  
We'll make you bleed and burn  
You'll twist and you will turn  
You'll bleed and you will burn!

My nightmare waits for you  
For us I'll make the truth  
Now that I have you here  
You'll never need to fear

Our naked dance begins  
Worms crawling from our skins

You've become one of us  
You've become one with us  
My dark ones, Seducians
