Soldier soldier by Spear of Destiny

Fighting in the rubble of Berlin

Soldier falls in love with the Fr{ulein

Trading whisky, food and nylons

Do it again there's more where that come from

(Do it) (1 varv)

Her face is cut, cos he likes it rough

He tells her to live and forget

Little Hans ain't coming back

He's out there in a Russian prison camp

Soldier, Soldier (Tv} varv)

He took her that night to the picture show

Land of blue sky's where the buffalo roam

The intermission comes and the news is on

Her mind drifts away to when she was....

Young lovers walking side by side

Within a year their dream had died

Now inside her head all she hears is noise

Tonight she's an actress and his name is Hans

Soldier, soldier

I'm not your little Marlene
