Didn't mean to take you for granted  
Didn't mean to show I don't care  
Didn't mean to throw away this once in a lifetime of  
chance  
Being with you

And I'll drive for 2 hours  
To bring Butterfingers  
I don't mind the distance  
This kismet's a dance

This time I surrender  
My everything forever  
Life doesn't matter  
Just our souls together

Pride no longer has room in me  
On bended knees in public I cry  
Your name for everyone to know that I love you, I love  
you  
Please hear me now

And I'll drive for 2 hours  
To bring Butterfingers  
I don't mind the distance  
This kismet's a dance

This time I surrender  
My everything forever  
Life doesn't matter  
Just our souls together

This time I surrender  
My everything forever  
Life doesn't matter  
Just our souls together

And I'll drive for 2 hours  
To bring Butterfingers  
I don't mind the distance  
This kismet's a dance(dance, dance)

This time I surrender  
My everything forever  
Life doesn't matter  
Just our souls together

This time I surrender  
My everything forever  
Life doesn't matter  
Just our souls together

This time I surrender  
My everything....(my everything)..ooohh...

And I'll drive for 2 hours  
To bring Butterfingers  
I don't mind the distance  
This kismet's a dance
