Notice me  
Take my hand  
Why are we  
Strangest wind  
Our love was strong  
Why carry on without me

Every time I try to fly I fall  
Without my wings I feel so small  
I guess I need you baby  
Every time I sleep you're in my dreams  
I see your face, it's haunting me  
I guess I need you baby

You're make believe  
That you are here  
It's the only way  
I see clear  
What have I done  
You seem to move on easy

Every time I try to fly I fall  
Without my wings I feel so small  
I guess I need you baby  
Every time I sleep you're in my dreams  
I see your face, you're haunting me  
I guess I need you baby

I may have made it rain  
Please forgive me  
My weakness caused you pain  
And I'm so so sorry

At night I pray  
That soon your face will fade away

Every time I try to fly I fall  
Without my wings I feel so small  
I guess I need you baby  
Every time I sleep you're in my dreams  
I see your face, you're haunting me

I guess I need you baby
