Lyrics : JB Music : MT

Crimes of passion

ruled his mind

the anger inside

compassion he will

Never find

The Pain and Pleasure

of the blade

And he loved

The screams she made

Forgive me father

For I have sinned

Because the anger

Burned within

Unfaithful

He saw it in her eyes

They wouldn't hide

Betrayal and her Wicked

Lies

Confessions

From a dying man

Listen now
And understand
Shadows
In the Night
Pain
that summons fright
He looked
Into her eyes
And Tells her
Tonight she dies
But to you
I must confess
That when she died
she was the best
