[Intro:]

Exclusive, bitch!  
Got nothin' on me  
Got somethin' on me

Hook:

Feeling like you got nothin' on me  
... bitch, look, I ain't got nothin' on me  
What a bad bitch said these hoes ain't got nothin' on  
me  
And please stop lil broke nigga, ain't got nothin' on  
me  
Ain't got nothin' on me, nigga ain't got nothin' on  
me  
Ain't got nothin' on me, nigga ain't got nothin' on  
My bad bitch say these hoes ain't got nothin' on me  
And please stop, you broke nigga ain't got nothin'  
on me!

It's clear... two stacks, bitch  
My ego ain't been the same since... fix  
I'm in the front so far, fuck it, bad flip  
Hit up, hit up dollar style, I blow it, a cat passing  
Uh, I remember being broke, but back to being rich  
I don't know what it is, I think it's just the thought of  
it  
He said cat chop, I'm winning, now what's wrong  
with him?  
They don't say... man, you bought the wrong denim  
What, what, that...?  
Lexus and registration bitch, I got...  
And tell friend he ain't got nothing on me  
He just a leg spreading, ...he ain't getting nothing  
on me, uh

Hook:

Feeling like you got nothin' on me  
... bitch, look, I ain't got nothin' on me  
What a bad bitch said these hoes ain't got nothin' on  
me  
And please stop lil broke nigga, ain't got nothin' on

me  
Ain't got nothin' on me, nigga ain't got nothin' on  
me  
Ain't got nothin' on me, nigga ain't got nothin' on  
My bad bitch say these hoes ain't got nothin' on me  
And please stop, you broke nigga ain't got nothin'  
on me!

I'm getting that impression these niggas take me for  
a joke  
Should I use your head, now I'm coming for your  
throat  
Rich cold shit, bitch... your legs so  
When Boga was the five down, now I'm heading most  
Home... who the fuck is you?  
Old school, ... dudes, that Kentucky blow  
Since you started telling lies, bo I been the truth  
Nose bleed... he looking...  
I went up in front and you were my new foreign  
Had that chick named Lauren, was exploring, then got  
boring  
I really can't wait... our young and ghost got touring  
Bitch, I wake up and ball like a ... all morning!
