So if you're lonely
You know I'm here waiting for you
I'm just a crosshair
I'm just a shot away from you.

And if you leave here
You leave me broken, shattered, I lie
We're just a crosshair
I'm just a shot, then we can die

I know I won't be leaving here with you

I say don't you know
You say you don't know
I say... take me out!

I say you don't show
Don't move, time is slow
I say... take me out!

I say you don't know
You say you don't go
I say... take me out!

I know I won't be leaving here (with you)
I know I won't be leaving here
I know I won't be leaving here (with you)
I know I won't be leaving here with you

I say dont you know
You say you dont know
I say...take me out

If I move this could die
If eyes move this could die
I want you to take me out

I know I won't be leaving here with you

I say don't you know
You say you don't know

I say take me out

If I wait this could die
If I wane this could die
I want you to take me out

If I move this could die
If eyes move this could die
Come on
Take me out

I know I won't be leaving here
With you
