Ooh, baby, ooh [Incomprehensible]

Until the end of time, I'll be there for you
You are my heart and mind, I truly adore you
If God one day struck me blind, your beauty I'll still see
Love's too weak to define just what you mean to me

From the first moment I saw you, ooh, I knew you where
the one
That night I had to call you, I was rappin' till the sun
came up
Tellin' you just how fine you look, in a word, you were
sex
All of my cool attitude you took, my body was next

You made love to me, like you where afraid
Was you afraid of me? Was I the first?
Was I your every fantasy? That's why

Until the end of time, I'll be there for you
You own my heart and mind, I truly adore you
If God one day struck me blind, your beauty I'll still see
Love's too weak to define, just what you mean to me

And when we be makin' love, I only hear the sounds,
ooh, ooh, ooh
Heavenly angels cryin' up above, tears of joy pourin'
down on us
They know we need each other, they know you are my
fix
I know that you know, ain't cheatin', baby

They know this is serious, ain't in just for kicks, no
This condition I got is crucial, crucial, baby
You can say that I'm a terminal case
You could burn up my clothes, smash up my ride

Well, maybe not the ride
But I got to have your face, all up in the place
I'd like to think that I'm a man of exquisite taste
A hundred percent silk Italian imported Egyptian lace

I say, nothin' baby, I said, nothin' baby can compare
Nothin' could compare to your lovely face
To your lovely face

Know what I'm sayin' to you this evening
Tryin', tryin' to say, just tryin' to say
That until the end of time, I'll be there for you
Be there for you

You're my heart, you're my mind
I truly adore you, darlin'
Ooh, you don't know what you're mean to me

Until the end of time be there for you
You are my heart and mind
Truly I adore you
