Feat/Tamar Braxton

[Intro]

Umm, promises, promises, promises  
Baby, promise that you'll never leave me  
Baby, promise that we'll always be  
Together, forever  
Please don't go

1 - Lady, promise that you'll never leave me  
Babe, promise that we'll always be  
Don't go, don't go

I'm leaving you this message  
I'm sorry that I couldn't be home  
But one night while I was out on the road  
I didn't spend the night alone, no  
I let my weakness get the best of me  
She was just a one night stand  
I know I was wrong  
Just don't leave me alone  
Without you in my life  
I'm only half a man

[Tamar]

I got your message  
And I can't believe the things you said  
Now that the shoe is on the other foot  
It's messing with my head, oh

Repeat 1

[Tamar]

I'm writing you this letter  
'cause I couldn't tell you face to face  
I let temptations get the best of me  
I know it was a big mistake. baby  
No I don't ever wanna lose your love  
'cause my heart couldn't take the pain  
I know I was wrong  
Just don't leave me alone  
'cause nothin in my life would ever be the same

[Silk]  
I got your letter  
And I can't believe the things I read, no  
Now that the shoe is on the other foot  
It's messin' with my head, oh

Repeat 1 with ad libs until fade
