No ain't nothing you can do about it
Ain't nothing you can do about it
Ain't nothing you can do about it
Ain't nothing you can do about it

So don't you cry for me, baby, don't cry for me
Even if I promise one more time, don't you believe me
Baby, don't cry for me
Even if I beg and plead, don't take me and stay with me
Baby, don't cry for me
Even if I promise one more time, don't you believe me

I was wrong I admit
You don't have to put up with this no, no, no, baby
Can we talk and make it right?
I don't want you crying when we lay down tonight

So let me see that smile, the one I like so much
Come on baby laugh, we don't have fuss
Baby don't be mad, I'm sorry, can't you see?
I apologize, the blame is on me

Don't go to bed mad, baby, let the past be the past,
sugar
Don't go to bed mad, baby, let the past be the past,
sugar

Oh, come on over here and give me a kiss
Ain't no reason for us to be fighting like this
Girl, I love you and I know you love me
And it's better when you smile, so won't you do it for
me?

So let me see that smile, the one I like so much
Come on baby laugh, we don't have fuss
Baby, don't be mad, I'm sorry, can't you see?
I apologize, the blame is on me

Don't go to bed mad, baby, let the past be the past,
sugar
Don't go to bed mad, baby, let the past be the past,
sugar

Don't go to bed mad, baby, let the past be the past,
sugar
Don't go to bed mad, baby, let the past be the past,
sugar

Baby, don't be mad, I'm sorry, can't you see?
I apologize, the blame is on me

Don't go to bed, don't go to bed
Don't go to bed, don't go to bed mad
Don't go to bed, don't go to bed
Don't go to bed, don't go to bed mad

Don't go to bed, don't go to bed
Don't go to bed, don't go to bed mad
Don't go to bed, don't go to bed
Don't go to bed, don't go to bed mad

Don't go to bed mad, baby, let the past be the past,
sugar
Don't go to bed mad, baby, let the past be the past,
sugar

Don't go to bed, don't go to bed
Don't go to bed, don't go to bed mad
Don't go to bed, don't go to bed
Don't go to bed, don't go to bed mad
