Freak me, baby  
(Ah, yeah)  
Freak me, baby  
(Mmm, just like that)  
Freak me, baby  
(Ah, yeah)  
Freak me, baby

Let me lick you up and down till you say stop  
Let me play with your body, baby, make you real hot  
Let me do all the things you want me to do  
'Cause tonight, baby, I wanna get freaky with you

Baby, don't you understand  
I wanna be your nasty man  
I wanna make your body scream  
And you will know just what I mean  
(You know what I mean)

24 carat gold  
To warm the nights when you get cold  
I wanna lick you up and down  
(Baby, yeah, bay, yeah)  
And then I wanna lay you down, come on Silk sing

Let me lick you up and down till you say stop  
(Lick you up and down)  
Let me play with your body, baby, make you real hot  
(Let me make you real hot)  
Let me do all the things you want me to do  
(Whoa, ho, oh)  
'Cause tonight, baby, I wanna get freaky with you

I love the taste of whip cream  
(Hey)  
Spread it on, don't be mean  
(Baby, don't be mean)  
You know I can't resist you, girl  
I'll fly you all around the world  
(All around the world, oh, baby)

I wanna see your body drip

Come on let me take a sip  
(Come on, come on, come on, come on)  
Take off what you cherish most  
(Come on, come on, come on, come on, baby)  
'Cause when I brag I like to brag and boast

Let me lick you up and down till you say stop  
(Lick you up and down, oh, baby)  
Let me play with your body, baby, make you real hot  
(I wanna play with your body, baby)  
(I wanna play with your body, girl)  
Let me do all the things you want me to do  
'Cause tonight, baby, I wanna get freaky with you

You, you, you, you  
(Oh, you)  
You, you, you, you  
(Let me freak you)  
You, you, you, you  
(All of you)  
Yeah, come on, come on

You, you, you, you  
(Oh, you)  
You, you, you, you  
(Let me do you)  
'Cause tonight, baby, I wanna get freaky with you

Let me lick you up and down till you say stop  
(Freak me, baby)  
Let me play with your body, baby, make you real hot  
(Freak me, baby)  
Let me do all the things you want me to do  
(Freak me, baby)  
'Cause tonight, baby, I wanna get freaky with you

(Baby, don't stop)  
Let me lick you up and down till you say stop  
(Baby, don't stop)  
Let me play  
(Baby, don't stop)  
With your body, baby, make you real hot  
(Hey)

Let me do  
(Baby, don't stop)  
All the things you want me to do  
(Baby, don't stop)  
'Cause tonight, baby, I wanna get freaky, freaky

(Let me lick you up and down)

Let me lick you up and down till you say stop  
Let me play with your body, baby, make you real hot  
(Up and down)  
(Let me make you soakin' wet, baby)

Let me do all the things  
(Oh)  
you want me to do  
(I won't play around with your love, baby)  
'Cause tonight, baby, I wanna get freaky with you
