"Freak Me - Jeep Beat Mix"

Visit "[Freak Me - Jeep Beat Mix](#)" on MotoLyrics.com

Freak me, baby, ah, yeah
Freak me, baby, hmm, just like that
Freak me, baby, ah, yeah
Freak me, baby, yeah

Let me lick you up and down
'Til you say stop
Let me play with your body, baby
Make you real hot

Let me do all the things
You want me to do
'Cause tonight, baby
I wanna get freaky with you

Baby, don't you understand
I wanna be a nasty man
I wanna make your body scream
And you will know just what I mean
(You know what I mean)

24 carat gold
To warm the nights when you get cold
I wanna lick you up and down
And then I wanna lay you down
C'mon silk, silk

Let me lick you up and down
'Til you say stop
Let me play with your body, baby
Make you real hot

Let me do all the things
You want me to do
'Cause tonight, baby
I wanna get freaky with you

I love the taste of whip cream
Spread it on, don't be mean
You know, I can't resist you, girl
I'll fly you all around the world

I wanna see your body drip
Come on, let me take a sip
Take off, what you cherish most
'Cause when I brag, I like to brag and boast

Let me lick you up and down
'Til you say stop
Let me play with your body, baby
Make you real hot

Let me do all the things
You want me to do
'Cause tonight, baby
I wanna get freaky with you

You, you, you, you
Oh, you
You, you, you, you
Let me freak you
You, you, you, you
All of you

Yeah, come on, come on
You, you, you, you
Oh, you

You, you, you, you
Let me do you
'Cuz tonight baby
I wanna get freaky with you, you

Let me lick you up and down
'Til you say stop
Let me play with your body, baby
Make you real hot

Let me do all the things
You want me to do
'Cause tonight, baby
I wanna get freaky with you, girl

Baby, don't stop
Baby, don't stop
Baby, don't stop
Ah, baby, don't stop

Baby, don't stop
Baby, don't stop
'Cause tonight, baby
I wanna get freaky, freaky

Let me lick you up and down
Up and down, up and down
Let me make you soakin' wet, baby

I won't be around with your love, baby
'Cause tonight, baby
I wanna get freaky with you
