oooh ooh

yeah

yeah

i didnt mean to break your heart

i didnt mean to do you wrong

i didnt mean to lie to you

i didnt mean to i didnt mean to

i didnt mean to sex all the wrong girls

i didnt mean to make you cry

i didnt mean to cheat on you

so forgive me for all that ive done

i didnt mean to take for granted that you'd always be
right here

i know you heard me say i'm sorry for so many years

but i admit that i was wrong

for leaving you all alone

now i finally realize

cuz i see the pain in your eyes

chorus

i didnt mean to break your heart

i didnt mean to do you wrong

i didnt mean to lie to you

i didnt mean to i didnt mean to

i didnt mean to sex on the wrong girls

i didnt mean to make you cry

i didnt mean to cheat on you

so forgive me for all that i've done

girl i hope that you still love me

i'm trying to let you know i've changed

i cant imagine life without you

i'd go insane

i wanna make it up to you

by giving all my love to you

cuz now i finally understand

that i've got to be a better man

chorus

gir i swear to you i've changed
things wont be the same
nomore for as long as i live
i'll keep it real (girl)
cross my heart and hope to die
my now knows whats right
put me in the corner
put me there till dark
for mistakes i cant afford to make anymore
so cuss me out
scream at the top of your lungs
if you want to
just dont leave me forgive me

(talking)

baby i know i've made alot of mistakes
in the past but right now i'm trying to
be the best that i can be and i want
us to be the best that we can be
(oh na)
so what i'm asking you to do for
me is try and forgive me i'm sorry

forgive me forgive me

Chorus
