Hey ya, hey ya, hey ya
Ooh, hey ya, hey ya, hey ya
Ooh, hey ya, hey ya, hey ya
Ooh, hey ya, hey ya, hey ya
Ooh

Sneaking me in and out
Everyday, any place
Giving it all, oh oh
Sometimes we're even bold enough
To do it in your own home, yeah

Now what the hell am I thinkin' 'bout
I know damn well what goes around
Comes around then I turn around
We're on the ground
Tell me what am I suppose to do
When you start

1 - I wonder if he knows and suspects that I
I've got you on me
I wonder if he knows that
We get a little freaky

I wonder if he knows that you spent last night
Stroakin' me right here
Oh so careful we must be

I know I tried to let you go
But my mind keeps tellin' me no no no
But I don't wanna let you go
Even though you're not mine
But some of the time, and that's yeah
And baby that's enough for me
I know

Repeat 1

Hey ya, hey ya hey ya
Ooh, hey ya
Ooh, hey ya
Ooh, hey ya

See wonder does he know baby
What am I spose to do
When he comes around
And asks about you
Innocently push a little shit

Repeat 1

I wonder, I wonder, I wonder, I wonder
Hey ya, hey ya, hey ya
Ooh hey ya, hey ya, hey ya
