Ooh, yeah, can you feel it, baby?
I can, ah, ah, excuse me
Do you think you'd mind if I, ah, touch you

I can tell you how I feel about you nite and day, yeah,
yeah
I can tell you how I feel about you nite and day, yeah,
yeah

I'll love you more than the rain or shine
And makin' love in the rain is fine
A love so good, I call it mine
Love is blind

I can tell you how I feel about you nite and day
How I feel about you, no, no, no
I can tell you how I feel about you nite and day
How I feel about you, aha

Believe me when I say that I do care
I can tell you
I'd like to run my fingers through your hair
I can tell you

Baby, if you left I could not bear
I can tell you
Please don't share

Do you love me, please let me know
I can tell you
Don't hide the feeling, just let it show
I can tell you

A feeling so deep that comes within
I can tell you
What kind of love am I in? Oh

I can tell you how I feel about you nite and day
How I feel about you, no, no, no
I can tell you how I feel about you nite and day
How I feel about you, aha

If you and I were one, girl
The love we share would be so fun
Just take my hand and you'll see, girl
That we'd take off into another world, ooh

I can tell you how I feel about you nite and day, yeah,
yeah
I can tell you how I feel about you nite and day, yeah,
yeah
(How I feel about you, aha)

I can tell you how I feel about you nite and day, yeah,
yeah
I can tell you how I feel about you nite and day, yeah,
yeah
I can tell you how I feel about you nite and day, yeah,
yeah
I can tell you how I feel about you nite and day, yeah,
yeah

I can tell you how I feel about you nite and day, yeah,
yeah
I can tell you how I feel about you nite and day, yeah,
yeah
I can tell you how I feel about you nite and day, yeah,
yeah
