Things are lookin' better now
We're still in this game somehow
And we owe it all to you
Lord, you never let us down

It's time for us to close the show
We wanna let our people know, oh yeah
You might not always see a face
But our music stays around, around

We always keep our music real
We cater to that sex appeal
Give you something you can feel
Hope you enjoyed the smooth silky sounds

We hope we made you loose control
Hope we took you to the next level
It's time to say goodbye for now
Cuz this love session is closed, is closed

But we will return
We're gonna come back to you, yeah
We gotta come back to you, you yeah
But we, we will return
We're gonna come back to you, back to you
